GATEWAY ENTERTAINMENT

OVERVIEW

Gateway Entertainment Centre has been Edmonton's leading choice for family recreation for more than two decades. Led by a hospitality veteran with over 20 years of experience, we specialize in hosting a variety of events, including corporate events, kids' birthdays, Christmas parties, family outings, team get-togethers, anniversaries, and celebrations of all kinds.

At Gateway Entertainment Centre, bowling is our main attraction. We are the largest bowling facility in Western Canada, offering 36 lanes of 10-pin bowling as well as neon bowling at select times. Our lanes are meticulously cared for by an experienced team, who ensure we meet industry sanctioning standards.

Our newly renovated Laser Tag arena is an excellent location for all ages. Join in on our "free for all" style of competition to see who can come out on top of the score board.

Gateway Entertainment Centre also offers 14 regulation-size pool tables available in our multi-purpose Rec Room. Your guests may also enjoy our card-operated arcade, filled with a variety of games; including first person shooters, classic arcade games, racing games, sport themed games and redemption games.

Within this package, you will find our fully customizable catering menu; this menu is available to all corporate rentals, packages and events. Our 60,000 sq-ft facility, allows for both private room rental and full facility rental, with plenty of free parking surrounding the facility.

Our mission is to curate memorable experiences, ensuring every event is both enjoyable and unforgettable. Whether you're planning a small gathering or a large-scale event, our team is dedicated to delivering exceptional service and a truly unique experience.
