GATEWAY ENTERTAINMENT

LET'S GET THE PARTY ROLLING!

Planning a corporate event doesn't have to be complicated. At Gateway Entertainment Centre, we make it easy to bring your team together for an event they'll actually be excited about!

With 60,000 sq. ft. of entertainment space, there's something for everyone. From bowling and laser tag to billiards, arcade games, great food, and private event spaces, you can create an experience that's as relaxed or as action-packed as you like.

BRING YOUR TEAM. WE'LL HANDLE THE FUN.

Whether you're planning a staff appreciation night, team-building event, holiday party, corporate gathering, or just an excuse to get everyone out of the office, our team is here to help make it happen.

BOWLING

As the largest bowling centre in Western Canada, we offer 36 lanes of 10-pin bowling, including neon bowling at select times.

LASER TAG

Take your team into our zombie apocalypse-themed laser tag arena and battle it out in an exciting free-for-all competition.

MORE WAYS TO PLAY

Challenge your coworkers to a game of billiards or enjoy our card-operated arcade, featuring a variety of classic, racing, sports, shooter, and redemption games (please note the arcade is walk-in only).

FOOD, DRINKS AND BUFFETS

Keep the team fueled with a variety of buffet and catering options designed for groups of all sizes. Our facility also features three full-service bars, including a bar conveniently located inside our large buffet room, making it easy to add beverage service to your event.

EVENT AND RENTAL SPACES

From private rooms to full-facility rentals, we have flexible spaces to accommodate groups of all sizes—with plenty of free parking for your guests.

YOUR EVENT, YOUR WAY.

Inside this package, you'll find everything you need to start planning, including our corporate packages, catering menus, and rental options.

Choose one of our ready-to-go packages or work with our team to build an event that fits your group, your goals, and your budget.

Let's make your next corporate event one your team will be talking about long after the last frame.
